Dear Sir:

We at National Telemarketing (NTM) would like to speak with you regarding a long range revenue enhancement opportunity to generate additional funds for the support of your activities. During the years to come, the revenue will be derived from a service that most people enjoy and will continue to use into the next century, long-distance telephone service.

The premium long-distance service, provided by US Sprint, will insure continual funding beyond present constraints. Briefly stated, the plan involves asking supporters to use US Sprint long-distance, the favorably competitive service.

From this project, you will receive monthly revenue based on their Sprint long-distance bills for as long as they use the service. Presenting the overall plan will take forty-five minutes. We will call to arrange a mutually convenient appointment.

Sincerely,

Jeff Brooks and Cole Inman
NTM Representatives
